MEMORANDUM FOR THE RECORD

SUBJECT: Draft General Services Administration (GSA) Viewsletter  
on Phone Bill Procedures

On 28 October 1987, I informed Greg Jones, Legislative Analyst for the Office of Management and Budget (OMB) that the Agency had no objection to a draft letter from the GSA to the Congress which seeks the repeal of the provisions of 31 U.S.C. 1348(b). These provisions, in effect, require an Agency head to certify as to the propriety of Agency long distance calls.
